RÉMY KOUAKOU KOUAMÉ JUDGE

Remy has always lived his life **surrounded** by **music** and/or **dance**.

Growing up within the **Hip-Hop culture** as a **DJ**, he also developed his **dance specialty** within the Swing dance community.

Traveling the world to either perform, teach and/or compete in the context of Vernacular Jazz and Lindy Hop, he loves to share his dance and to help people find their unique voices.

In recent years, Remy felt the urge to (re)align with himself and **connect** all of the aspects that makes him the artist he is. Remy believes that a bridge has to be reinforced, if not (re)created, between the **vintage** and the **modern Street dances**.

His classes are a reflection of what this magical journey has brought to him : rhythm, music, connection... and tons of groove!
